

GLOW SPA

Treatment Selections

Welcome to our all-natural spa experience at Glow Spa.
Only 100% natural coconut oil is used in rejuvenating treatment selections.
Pure oil is extracted from the coconut by carefully cooking it for at least three hours.
The coconut oil is sourced from the women of Barangay Cheey in Coron, Palawan
which paves way to them gaining additional income.

No commercial essential oil is used at our spa. You may opt to request for an infused coconut oil instead.
Before your treatment, please ask our spa therapist for your preference. Enjoy and glow.
